

## Hire of Equipment

Club equipment will be available free of charge to members, for the first 3 months of use. Thereafter, the following charges will apply for members to borrow club equipment which contributes towards the cost of its replacement.

The club takes no responsibility for any injuries incurred whilst using equipment, it is the responsibility of the member or their parent/guardian (for under18's) to ensure safety at all times. Advice can be sought from any coach or the quartermaster concerning the appropriate use of equipment and personal ability.

Members will be held responsible for any damage or loss that occurs whilst equipment is in their possession. Please check that your own insurance will cover loss or damage.
